The Deck Loadout

Job Specs

Weight: 442 Tons

Dimensions: 134' W x 68' L x 45' H

Equipment Used: 32 lines of ESE SPMT's, 4 ppus, loading ramps, steel plating & 180' x 54' deck barge

The Berard Team headed to Amelia, LA to load out this six pile deck destined for Breton Sound A-51. The deck was 134' long x 68' wide x 45' tall and weighed 442 tons. Berard used 32-Lines of PST-ESEs after first lifting the deck so the transport load spreaders could be installed and then transported onto 180' x 54' long deck barge.

Just another safe and successful job for the Berard Team!

The Transformer Transport

Job Specs

Weight: 258,000 lbs

Dimensions: 11'W x 27'L x 15'H

Equipment Used: 6 lines of SLE SPMT's, unified jacking system, and hydraulic sliding system.

Berard recently transported an electrical transformer weighing 258,000 pounds for to the Lafayette, Louisiana Municipal Power Plant. Berard used a unified jacking system, a 300 ton slide track system, and an 8 axle Goldhofer PST-SLE transporter to complete the project. Although a routine project, Berard engineers provided a detailed plan, which was executed flawlessly by the transport and rigging crew. With a short rail line usage window of only 6 hours, Berard crews worked expeditiously to ensure the project was completed in time. With 2 hours to spare, the transformer was on its way to the destination. As always, Berard executed the project plan flawlessly, helping keep Lafayette's lights on safely and on promptly.

Driver-Rigger

Henry Lee | Driver - Rigger

“Intriguing” is one of the words used by Henry Lee when asked about what he likes about working with the Berard Team, along with challenging and interesting. Henry joined the team in July of 2011 and has become a great team member.

Henry served our great country in the Air Force and all of us at the Berard Team thank him for his service.

He has been married to his wife Kristi Lee for seventeen years and they have three children.

Henry enjoys working with the team and looks forward to every job, and we’re glad to have him.
