# The Shipyard Moving The Big One

## Job Specs

**Weight:** 2,750 Tons

## Dimensions:

286'L x 62'W x 123'H

**Equipment Used:** 84 axle lines of SPMTs, 6 power packs and crane mats

When a shipyard in the great state of Alabama needed to keep one of its ship builds on schedule there was one thing standing in the way - another build. The Berard Team was commissioned to move this 2,750 ton, 286' long PSV from its fabrication area over to another area to make room for an adjacent ship hull to be completed. The team used 84 axle lines of self-propelled modular transporters to lift and transport the vessel to its new location in the shipyard. Clearances were super tight with mere inches to spare between the transporters and the ship's supports. The team executed the move safely in one day and got the shipyard build back in action and on schedule. Congrats to the team for another great project!

# Show Report International Workboat Show

The International Workboat Show was another great one and the Berard Team was in full force to showcase our great company and our services. The show was held in New Orleans at the Ernest Morial Convention Center. The team had a great time entertaining guests who stopped by to visit. The team also held another great customer appreciation reception at the Hilton as a thank you to our customers for their commitment to Berard. We look forward to next year's event!

# Show Report PowerGen International

The Berard Team had another successful showing at the Power Gen International Show in Las Vegas, Nevada. The show was well attended by power generation industry professionals from around the world and many stopped in at the Berard booth to visit with the sales and marketing team. The event was held at the Las Vegas Convention Center which is one of the largest convention centers in the world. The three day event once again gained some great exposure for the Berard Team!

# The Berard Christmas Party

**BERARD**  
The Mega Transport Experts

The Berard Team held its annual Christmas party and was really great seeing everyone have a great time. Several awards were given out at the event for years of service as well as our annual Leadership Award. We reflected upon the past year as a another great one all made possible by our dedicated team members who strive to keep Berard at the top. We're also thankful for each and every one of our amazing clients who have supported our company over the years. We look forward to a great 2016 and we wish the same to you and yours!

Sincerely,  
The Berard Team

The Berard Team honored some of its team members at our annual Christmas party. Thanks to all of our great team members!
