The Shipyard Launching LCS Kansas City

Job Specs

Weight: 2,800 Tons

Dimensions: 418'W x 107'L

Equipment Used: 112 axle lines of SPMTs, 2 deck spacers loading ramps, 18 high volume water pumps, 425' x 126' x 25' deck barge, numerous 65 ton winches and tugs

The Berard Team was proud to once again take a pinnacle role in transporting the Navy's newest addition to its fleet, Kansas City—a 418'L x 107'W Littoral Combat Ship (LCS)—built with pride by Austal in Mobile, Alabama. Berard provided a turnkey service and accomplished the task using 112 axle lines of self-propelled modular transporters. The team rolled the 2,800 ton LCS from the final assembly bay to a waiting deck barge all in record time and keeping the project ahead of schedule. The LCS was then barged down river for trans-loading from deck barge to dry dock. The entire process was accomplished safely and in only one day. Congrats to our team members and everyone involved for another safely completed project!

The Shipyard Launching 803

Job Specs

Weight: 4,200 Tons

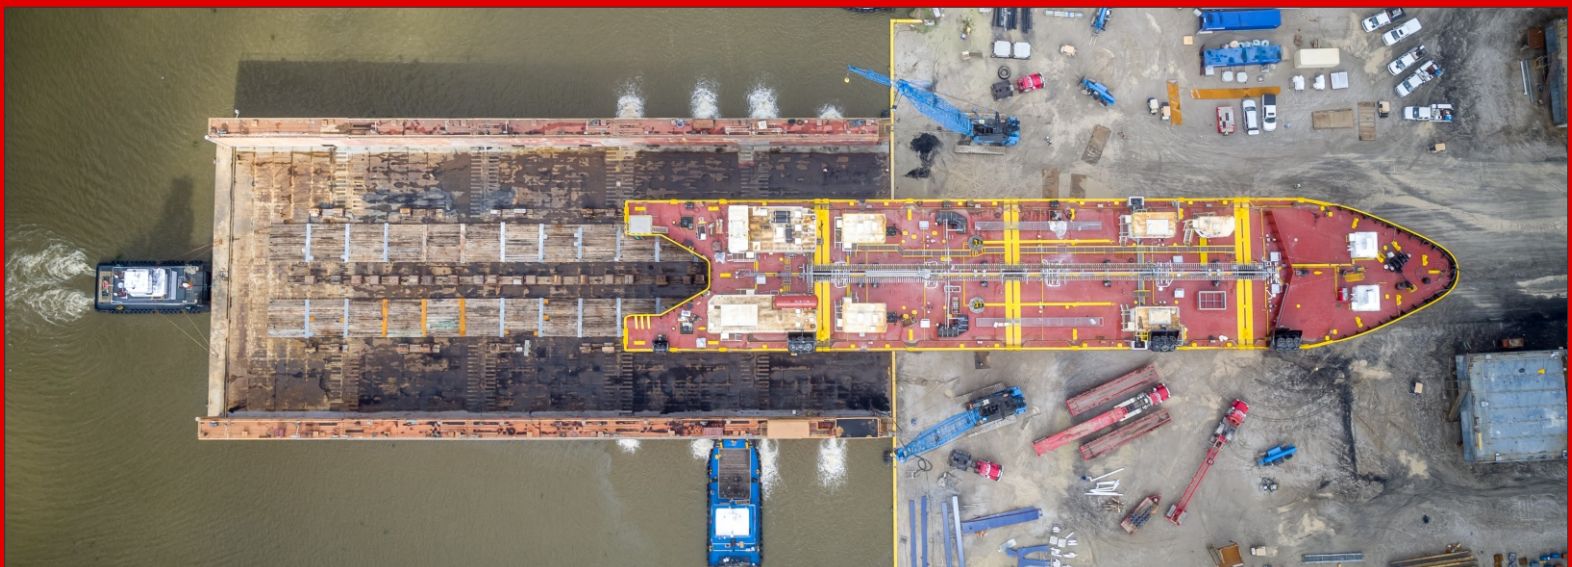

Dimensions:

400' L x 74' W x 32' H

Equipment Used:

160 axle lines of SPMTs, 8 power packs, barge loading ramps, steel plates and winch trucks

The Berard team recently provided transport services for the launch of the Double Skin 803, a 400' long, 4,200 ton tank barge. It took 160 axle lines of Scheuerle self-propelled modular transporters to move the massive barge from its fabrication area to the bulkhead and onto the client's dry dock. The team lifted the barge and moved it from its support stands. Now cleared, the slow trek to the bulkhead began. It was smooth sailing through the client's yard and as the team neared the bulkhead, the barge was aligned for the dry dock transfer to commence. The final phase of moving the barge onto the dry dock was completed in a safe and timely manner. Congrats to everyone on our team that made this awesome move seem like just another day at work!

Showtime! Berard @ PowerGen

The Berard team will be exhibiting at PowerGen International Show on Dec 4-6, in sunny Orlando, Florida at the Orange County Convention Center. Our sales and marketing team will be on hand to introduce you to our company and showcase all of our great services. Come by our booth #1604 and say hello!

A Berard Holiday Greeting

The holiday season is here and with it comes the joys of family, friends and being grateful for the many blessings that have been bestowed upon us. The Berard team would like to send our sincerest holiday wishes to all of our clients and we thank them for their continued loyalty to our company. We also thank our dedicated team members who've made us the great company we are today. May your holiday season be filled with blessings and joyous times.
