# 1 Week 2 Ships EPF Apalachicola Load Out

## Job Specs

**Weight:** 2,200 Tons

**Dimensions:**

338'L x 94'W x 105'H

**Equipment Used:** 112 axle lines of SPMTs, 4 power packs, loading ramps, high volume water pumps and winches for barge securement

The Berard team once again played a major role in the launching of another great US Navy ship. The team loaded out the USNS Apalachicola, a 2,200 ton Expeditionary Fast Transport ship (EPF). The team transported the 338' long EPF from the client's final assembly bay to a deck barge. Once secured on the barge, it traveled down river to be trans-loaded. Once at the transfer point, the trans-loading of the vessel onto the Alabama, an 800' floating dry dock, began. As usual, the trans-load went smoothly thanks to all involved. With the team's hard work and dedication, the job was completed safely and successfully in only one day.

# 1 Week 2 Ships LCS 32

## Job Specs

**Weight:** 2,800 Tons

**Dimensions:** 418'W x 107'L

**Equipment Used:** 112 axle lines of SPMTs, 6 power packs, 2 deck spacers, loading ramps, 18 high volume water pumps, 425' x 126' x 25' deck barge, 65 ton winches and tugs

After the successful load out of the EPF Apalachicola, the team loaded out another of the Navy's newest addition to its fleet, LCS 32—a 418'L x 107'W Littoral Combat Ship (LCS). Berard accomplished the load out & transfer using 112 axle lines of SPMTs. The team rolled the 2,800 ton LCS from the final assembly bay to a waiting deck barge on time and keeping the project on schedule. The LCS was then barged down river for trans-loading from deck barge to dry dock. The entire process was accomplished safely and in only one day. Congrats go out to our team members and everyone involved for another safely completed project!

# NOLA Here We Come! Workboat Show 2021

The team is headed to New Orleans, Louisiana to exhibit at the 2021 International Workboat Show being held at the Ernest Morial Convention Center from December 1-3. The show is back this year after being postponed due to Covid and we're looking forward to it. Our sales and marketing team will be on hand to visit with attendees and showcase our work and our great company. Come see us at booth 3035 and say hello!
